"Brighten up the world, hundreds of rhinestones at a time."

Ladies, bring your daughters, grandchildren, nieces and nephews for a fun night at the club. Dave Ihm, inventor of the Rhinestone Genie, will teach us all about rhinestones, including different ways to apply them to various surfaces. We will then bling up two items that Dave will provide. You are encouraged to also bring a blouse, shirt, or other item you may want to bling with a simple design.

*\$45 fee includes appetizers, 2 wine/beer tickets, the two items to bling, use of Dave's gear, and of course, rhinestones.*

**SIGN-UP AT THE
