GOLF NOTES:

Please remember when you are having drinks and food, to have them ring your bill up under your name, so you get your 10% discount.

Please only take two carts when playing in a threesome or foursome as opposed to using three. This will cut down on the damage done to our great course.

Golf Shop News

We have new items arriving daily, so make sure you look around the shop each time you come in for new items.

There are two sale racks in the shop one is 75% off the other is 30% off and shoes are 20% off.

Event Reminder

When playing in a shotgun format please remember to not take the cart path by hole number 9 green to cut across number 9 fairway. Use either the path to the right or the path by 18 green. This traffic pattern will allow the soil not to be so compacted and let the irrigation do its work. So we have nice plush grass.

Northern Michigan Golf Tour

The Northern Michigan Golf Tour is a six stop competition taking place between six of the top courses in Northern Michigan. Each event will be an 18 hole handicapped stroke play event with each course sending up to 6 players. Players from each course can be male or female, should have a valid handicap, and be a member/employee/valued customer at the course they are representing.

Scoring will be: count 5 net score (using 100% handicap) from each team for a team score. Award points to the teams based on order of finish. Accumulate points over the season to determine a season champion at the conclusion of the final event. The fees are \$35 per event.

Participating Courses
