There are two sale racks in the shop and both are
40% off and shoes are 30% off all other clothing is 30% off.

Event Reminder

When playing in a shotgun format please remember to not take the cart path by hole number 9 green to cut across number 9 fairway. Use either the path to the right or the path by 18 green. This traffic pattern will allow the soil not to be so compacted and let the irrigation do its work. So we have nice plush grass.

Northern Michigan Golf Tour

The Northern Michigan Golf Tour is a six stop competition taking place between six of the top courses in Northern Michigan. Each event will be an 18 hole handicapped stroke play event with each course sending up to 6 players. Players from each course can be male or female, should have a valid handicap, and be a member/employee/valued customer at the course they are representing.

Scoring will be: count 5 net score (using 100% handicap) from each team for a team score. Award points to the teams based on order of finish. Accumulate points over the season to determine a season champion at the conclusion of the final event. The fees are \$35 per event.

Golf Tips of the Month

Arnold Palmer called it the "right pocket back approach." It's all about using your hips to shift your weight. The first move you make is bringing your right pocket back which rotates your hips. When Putting remember to use your shoulders to push the ball not your wrists.

SPECIAL THANK YOU!

To Bob Graczyk, Bob Palmboś, and John McDonald for the the bag drop addition. In addition, to the beautification committee for all the work they've done on the course and around the clubhouse.
