## There is still time! RAINING GOLF BALLS

While the official weather forecast for Sunday, September 18 predicts partly cloudy skies and temperatures in the upper 70's anyone who heads to Gaylord Country Club late afternoon will experience raining golf balls. Not golf ball size hail, but real golf balls will fall from the sky following the conclusion of the Lakes vs. Links Tournament.

The event will benefit the House Committee and after you purchase as many golf balls as you want our Golf Course Superintendent will drop the golf balls at the top of # 6 green from the bucket of his tractor. The owner of the ball landing closest to the pin or in the hole will win half of the funds collected.

You can purchase golf balls up to an hour before the rain begins on September 18, 2016. **One ball costs \$10, \$20 will get you three balls and for \$100 you can choose twenty five balls.** Our pro shop staff will be happy to assist you with your purchase.

**YOU DO NOT HAVE TO BE PRESENT TO WIN**
