

100 Year Celebration (1924-2024)

2024 marks the 101st year of operation of the Gaylord Country Club (also known as the Gaylord Golf Club). To celebrate those first 100 years, the Board would like to host a series of events during the 2024 season commemorating not only the first century of operation, but the beginning of what we hope will be the next successful 100 years of providing quality golf experiences for both its members and the public-at-large.

The Board is looking for input from the membership in order to explore all ideas that will properly and tastefully help commemorate our upcoming milestone. The following are only ideas (nothing is in stone) and we welcome your consideration of what has been informally discussed to date. We also encourage and want you to list your ideas so when committees are formed in the near future, they will have a wide range of possibilities to work with.

Thank you in advance for taking time out of your day to help the Board in its planning.

If the GCC were to undertake a "Centennial Improvement Project," what would you like to see done?
